

Sycamore Band & Orchestra Families!

Earn money for your student account or for SBOB by simply shopping at Krogers using their:

KROGER NEIGHBORHOOD REWARD PROGRAM

Fund Raising Made Easy

Everyone needs groceries so why not let a percentage of your grocery bill benefit your kids or the Sycamore Band & Orchestra Boosters? Kroger offers an easy, cost-free program to earn money and we are going to take advantage of it!

1. Buy a Kroger Neighborhood Reward Gift Card for **\$1.00** from Donna or Glenn Boutilier (parents in charge of the program for SBOB). You get that \$1.00 back in merchandise the first time you use your card. Get two cards (or more) if more than one person shops in your household. Contact Donna Boutilier at 984-6548 or donnabee@cinci.rr.com. For \$1.00/card, they will get your card(s) to you.
2. Take this card to any Kroger and load it with any amount (cash, check, credit or debit card). Kroger recommends a \$250.00 maximum for safety reasons but will load more upon request. Keep this card even when the balance goes to \$0.00 because this is YOUR card with YOUR account number - you will continue to reload this card.
3. Shop at Krogers often and use your Kroger Neighborhood Reward Gift Card to pay for your purchases. Your student account or SBOB will earn 4% of each purchase! (Use your card for Kroger gas and get 10¢ off/gallon, if qualified.)

Additional facts:

Reloading your card: the cashier can do this but you have to give him/her the card to reload **PRIOR** to them scanning your groceries. **OR**, you can go to the service desk to reload your card prior to shopping (there is a 5 minute delay in moneys being available for use on your card when you reload at the service desk...so reload first and by the time you shop and check out, your moneys will be available for use on your card). Reloading your card must be done in a separate transaction.

The card is accepted in all Kroger affiliated stores throughout the US and can be sent to family and friends out of state and still benefit your student's account or SBOB. The account number on the card will be listed in your family/student name no matter who uses it or when it is used.

Your gift card must maintain a minimum of \$1.00 balance... a gift card with a zero balance for 90 days becomes inactive. Lose your card, lose the \$ on it - money is not replaced but you can get another card. **Put your return-address label with phone number on your card.**

Moneys/statements are issued in 4-week cycles. When our organization, SBOB, reaches \$5,000.00 or more in reloads within Kroger's 4-week cycles, we receive a rebate check with our 4% of the total amount earnings. These earnings (except that first \$0.04) will then be divided into your student accounts according to your account/card number. Earnings with no student account listed will be entered into the general SBOB account.

Your balance is shown at the bottom of each Kroger purchase receipt. You may also obtain your balance at the customer service desk or cash register, by calling 866-822-6252 (located on the back of the card) or at www.gcbalance.com.
